Sumter DART responds to disasters, cruelty or hoarding cases, and calls from Animal Control, Humane Societies, or citizens in need of help. Our team helps all kinds of animals.

Donations from the public are the only funds we receive to operate our team of volunteers. We receive absolutely no government funding to help our efforts. We currently are not using any paid fundraisers, so 100% of your donation goes directly to the equipment and supplies used for to animal rescue and education. **We are a 501(c)(3) organization, so your donations are tax deductible.**

Please check one of the boxes on the following page and mail the form back to us at the above address.

If you have any questions, please call 352-793-4477 and ask for Ronnie Graves.

Thank you very much for your help!
